

ALARA 2024 Conference

ACTION LEARNING AND ACTION RESEARCH FOR TRANSFORMATIONS

UTS, SYDNEY, 7-8 NOVEMBER

An inter- and trans-disciplinary conference on action research, action learning and participative practice.

This conference offers face-to-face and virtual attendance. The Organising Committee for the conference combines the developing Action Research network at UTS and ALAR Association's long history of highly-participative conferences.

We welcome proposals that reflect on the **participatory and transformative nature of Action Learning and Action Research** within, across and beyond disciplinary boundaries and sectors: including Health; Education; Community development; Sustainability; International development; Arts; Business and organisations; Activism; Systems.

Mixed formats are encouraged, such as:

- paper presentations,
- workshops,
- poster presentations,
- artistic displays or other interactive formats that incorporate high levels of audience participation.

NOW: Abstract submission open

31 July 2024: Abstract submissions close

Acceptance: Progressively, less than three weeks after submission

To submit: please complete and submit a presentation proposal submission form to ALAR Association by 31 July 2024.
